TOWN & COUNTRY FIREPLACES

The Original Clean Face Gas Fireplace
and only luxury fireplace with
Design-A-Fire

Is it a Real Wood Burning Fire?

Town & Country's TC54 Luxury Gas Fireplace is the world's largest direct vent gas fireplace.

It is grandly proportioned to fit in great rooms and commercial settings that previously required a custom-built hearth.

Tall, vibrant flames dance behind premium disappearing ceramic glass so non-reflective your guests will believe it is an open fire.

When size matters, the TC54 delivers a massive performance.
